Luxology Looks Toward the Future with Modern New Location

MOUNTAIN VIEW, Calif. – Sept. 16, 2009 – Luxology® LLC, an independent technology company developing next-generation 3D content creation software, announced today that the company has moved its headquarters to a new site in Mountain View, CA. The move is part of the company's plan to update their current accommodations and prepare for future growth and expansion.

President and Co-founder of Luxology, Brad Peebler, has light-heartedly named the building "the new world dominance headquarters for Luxology," and expects current and future employees will benefit from the large, contemporary office space and updated technology.

The company's new address is 2525 E. Charleston Road, Suite 104, Mountain View, CA 94043. For more information on Luxology, please visit www.luxology.com.

About Luxology

Based in Mountain View, Calif., Luxology® LLC is an independent technology company developing next-generation 3D content creation software that enhances productivity via artist-friendly tools powered by a modern underlying architecture called Nexus®. Founded in 2002 by Allen Hastings, Stuart Ferguson and Brad Peebler, Luxology is home to some of the top 3D engineering expertise in the industry. More information on the company, its licensable Nexus® technology, its flagship product modo®, and a gallery of artists' images from the active modo community is available online at www.luxology.com.
